Gloucestershire GL7 1LF
Tel 01285 647642

Riverside House is a specialist training and conference centre facility, located at the UK headquarters of Mitsubishi Motors. There are multiple training rooms and seminar suites, as well as good value B&B style accommodation (listed in the accommodation document on the Square Mile web site).

Arrival

When you arrive at the security gate, ask for Square Mile and you will be collected and taken to the training room.

Course Timing

All courses start at 9:30am prompt. You can check in at security and be taken to the training room from 8:30 onwards.

All courses aim to finish at 5pm, though we will endeavour to finish earlier if requested to enable delegates to leave to catch pre-arranged transport.

Parking

For those arriving by car, there is secure parking on site. In some cases the overfill car park may be used which you will be directed to if needed by the security gate.

Meals and refreshments

A lunchtime meal and refreshments are provided within the course fee. If you have any special dietary requirements please indicate this to Square Mile Systems, either before the course date or at the start of the course.

Arriving the night before

On our web site in the schedule section is a document with various local hotels – all less than than 15 minutes driving distance of Riverside House.

Cirencester has many pubs and restaurants servicing most styles of food covering Italian, Indian, Chinese, Thai and others in addition to standard UK fare. Please call us during normal working hours if you want any recommendations.
